RE.: GRAMA Request

Your Honor:

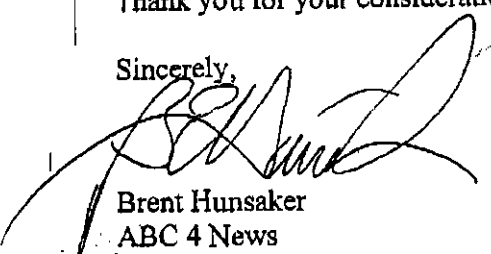

Under the provisions of the Utah Government Records Access and Management Act, I request the opportunity to inspect and obtain copies of documents placed under seal during the trial of Warren Steed Jeffs as well as recorded conversations of Mr. Jeffs made while he has been a prisoner at the Purgatory Correctional Facility in Washington County.

This request includes, but is not limited to, transcripts and audio recordings of phone conversations by Jeffs on January 24, 2007, and transcripts and videotape of a jailhouse visit between Warren Jeffs and Nephi Jeffs on January 25, 2007. These conversations were described in the "Defendant's Memorandum in Support of Motion *In Limine* as to Recorded Jail Conversations" recently unsealed by the Court.

I ask for an expedited response as permitted by Rule 4-202.06. I am a fulltime journalist working for KTVX Clear Channel Television located in Salt Lake City, Utah. I am credentialed by 5th District Court to cover the Warren Jeffs Trial. The materials requested are for news product to be broadcast for the benefit of viewers in the Salt Lake television market which includes Washington County.

Thank you for your consideration of this request.

Sincerely,

Brent Hunsaker
